

It's time for Carlson's Annual Specials for Surveyors*

*Available through 12/31/2011

Save \$1500 on Carlson's Surveyor+ GPS System

Get \$1000 off the purchase of the Surveyor+ GPS system with Carlson SurvCE TS & GPS and Carlson will throw in the SurvCE Robotic (RTS), a \$500 value.

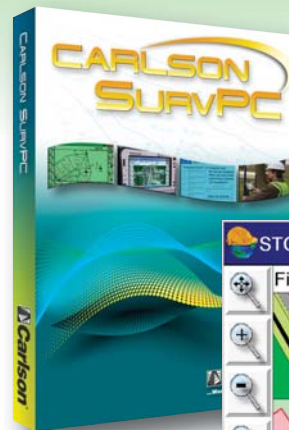

Save more than \$3000* AND take your office to the Field!

Combine the Carlson Supervisor tablet PC with Carlson SurvPC (TS & GPS) with Carlson Survey, surveyors' number one choice for office design software.

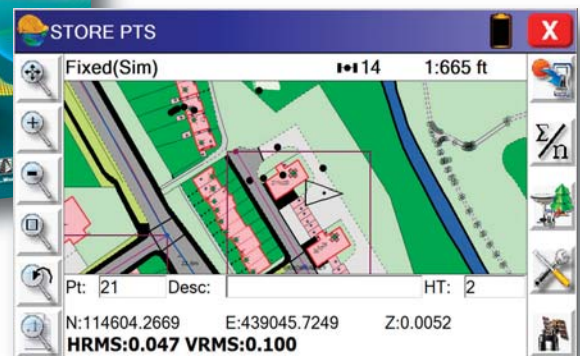

*Added value in the U.S. only, Esri® will supply a free version of ArcView® as part of their GIS Starter Kit for surveyors for those using Carlson Survey on IntelliCAD®

Save \$700 on Carlson SurvPC

Try Carlson SurvPC, the world's most flexible & powerful data collection software on the PC platform – a full screen version of Carlson's popular SurvCE data collection software.

Offer includes SurvPC Basic (TS), Robotic, GPS and the Advanced Roading package.
